Introduction

Welcome to the API Market Trials Focus Group

Thank you for participating in Market Trials

Focus of today's meeting: API Market Trials, findings, questions and feedback

API Market Trials key findings

APIs

- ***Please check the webpage [Gemini Sustain Plus \(xoserve.com\)](https://xoserve.com), for the latest versions of documents, currently version 0.2 and updated FAQs***
- ***Data is up to January 2024 in the test environment***
- ***When connecting to the Market Trials APIs please note that the login process requires redirection to be enabled on the API Client (to allow connection to Microsoft EntraID) – if this is not enabled then you will receive a HTTP 3XX error message.***
- ***Please note you need to use the new test URL and your new credentials to access***

FAQ

Process to access the Login API in MKT URL: <https://test.geminiplus.co.uk/api-login>

Below details needs to passed in the Body with content-Type as application/x-www-form-urlencoded:

- grant_type: client_credentials
- client_id: {{client_id}}
- client_secret: {{client-pass}}
- resource:7e6600cc-1039-4161-94da-aa29a5687416

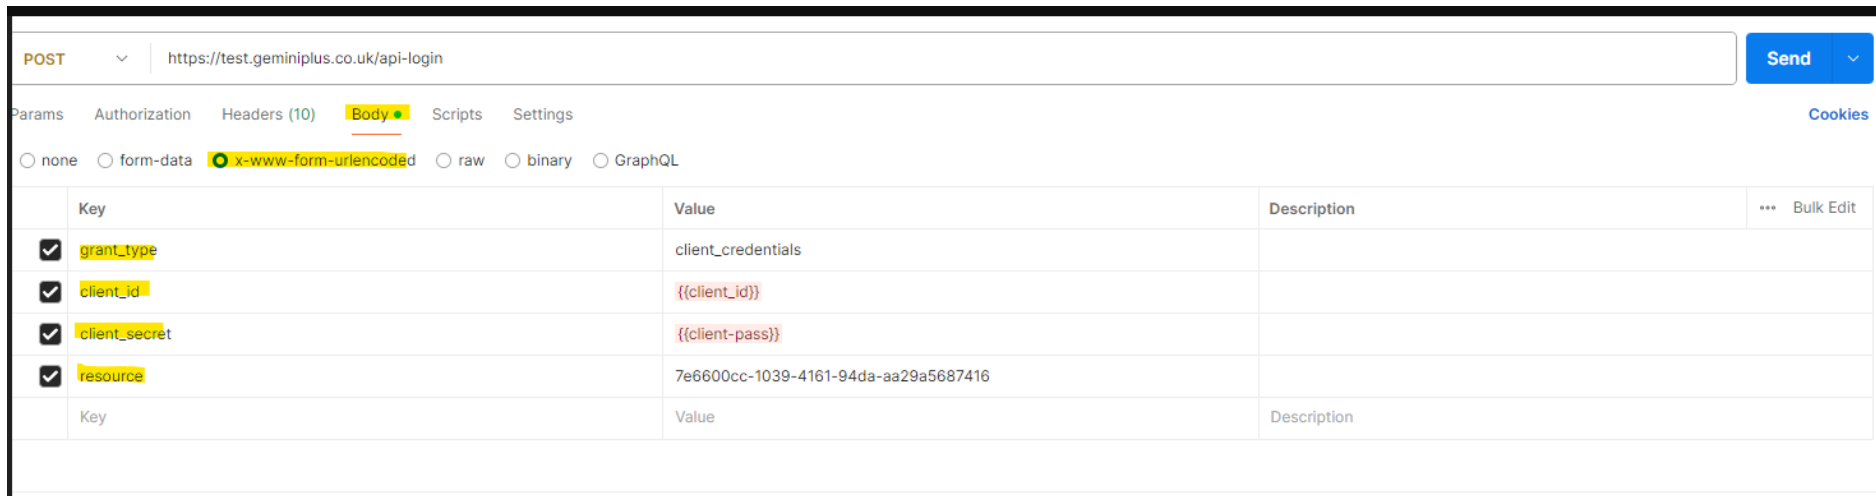

Notes

User will need to pass client_credentials as grant_type

User will need to provide their client_id and client_secret which was provided in earlier communication

User will needs to enable the redirect if they are not able to access the above URL directly.

User will need to pass the details in body and not in the header

POST <https://test.geminiplus.co.uk/api-login> Send

Params Authorization Headers (10) **Body** Scripts Settings Cookies

none form-data x-www-form-urlencoded raw binary GraphQL

Key	Value	Description	...	Bulk Edit
<input checked="" type="checkbox"/> grant_type	client_credentials			
<input checked="" type="checkbox"/> client_id	{{client_id}}			
<input checked="" type="checkbox"/> client_secret	{{client-pass}}			
<input checked="" type="checkbox"/> resource	7e6600cc-1039-4161-94da-aa29a5687416

Update

- We have had 22 organisations successfully participate in Market Trials to date.
- 34 of 56 individual APIs have been successfully tested by participants.
- If you haven't already started your Market Trials, please do so as soon as possible so we can offer the support if you need it.

Questions and feedback

Andy Simpson

Support reminder

Market Trials Support available

The support options available are, in following priority:

1. **Weekly Teams Call:** weekly Teams call will be scheduled, and invites will be issued to the Market Trials participants. Join this call to discuss any issues you may be experiencing.
2. **121 Technical Surgeries:** Sign onto our 121 Technical surgeries to discuss any issues here: [Gemini Sustain Plus – Technical Surgeries Eventbrite](#).
3. **Email:** Send in details of the support you require to: Geminiengagement@correla.com;

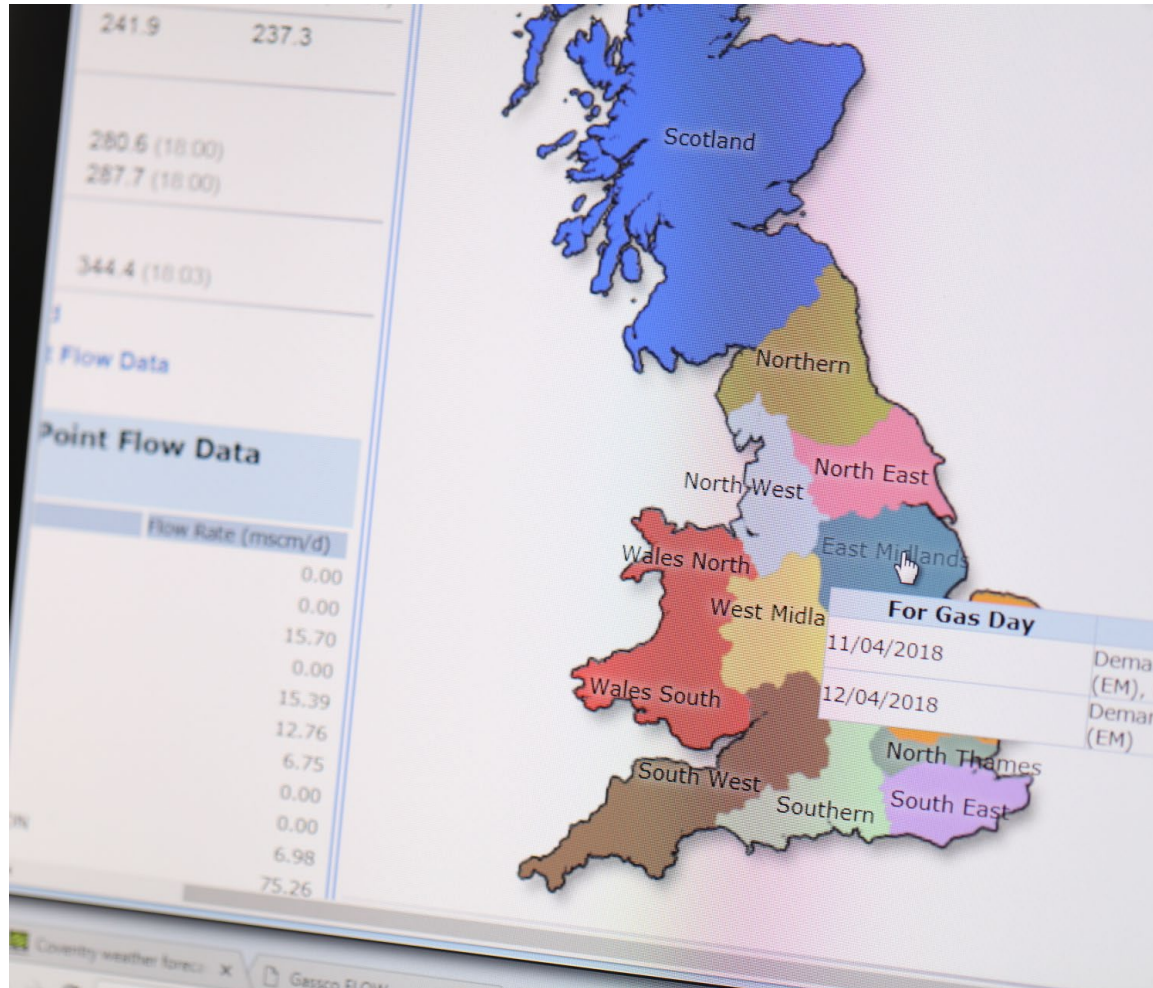

Note: Support is only available Monday- Friday, 09:00-17:00 hrs

Please do not call the GNCC or raise a ticket via the Service Desk

Next meetings

- The **next** Focus Group session will be **22 July 2024**.
- The weekly calls continue during Market Trials phase
- **Thank you for your participation**

Thank You

- All the information from today will be loaded on to our dedicated Gemini Sustain Plus Website:
 - <https://www.xoserve.com/change/investment-change/gemini-changes-overview/gemini-sustain-plus/>
- If you'd like to reach out to the programme directly, please use our box account: Box.GeminiSustainPlus@nationalgas.com and a member of the team will respond
